Important information about your CPD

We're sorry! We sent out the wrong advice in our last update.

We told you that CPD points earned up until 31 December couldn't be carried over into next year. **This is incorrect.**

When you renew your APC each year, we count your CPD points **for the last 3 calendar years**. You can spread your CPD activities over a rolling 3 year CPD cycle. Any CPD activities you've undertaken in the last 3 years count towards your total CPD points.

This means:

- when you applied for your APC this year, we counted your CPD for 1 January 2014–31 December 2016 (ie the **3 calendar years immediately beforehand**)
- when you apply for your APC next year (for your APC from 1 April 2018), we'll look at your CPD for the period 1 January 2015–31 December 2017 (**the 3 calendar years immediately beforehand**).

All your CPD is counted, unless it was more than 3 years ago.

We're really sorry for any confusion this caused. If you still have questions, please call or email us.
